

## Wednesday Day Camp - 2020/2021 School Year

Mountain Top Children's Museum is dedicated to keeping your child on track with their schoolwork while mixing in some nature, science, and fun throughout the day.

Campers are encouraged to bring tablets/chromebooks to adhere to the online learning schedule. Please pack any additional worksheets or assignments from school.

**Parents, please have your child's meetings queued up with their login credentials and schedule taped to their devices so counselors can help your child log in.**

Sample Schedule:

*Subject to change based on student's classroom needs*
